## Agency Mission

The mission of the Child and Family Services Agency is to provide child protection, foster care, adoption, and supportive, community-based services to ensure the safety, permanence and well-being of abused and neglected children and families in the District of Columbia.

## Issue Statements

**Issue Statement #1:** Accurate and timely data is a constant challenge that affects the efficiency, credibility, reporting, decision-making, revenue, and service delivery of the agency.

**Issue Statement #2:** Challenges in recruiting and retaining social workers contribute to caseloads that exceed established standards, and negatively affect service delivery to children and families.

**Issue Statement #3:** Enhanced public awareness could increase the number of referrals and calls to the Hotline. This, along with potential legislative changes, may contribute to an increase in the number of investigations, cases, and service needs.

**Issue Statement #4:** Long-standing systemic issues and staffing deficiencies prohibit the agency from accomplishing permanency goals for children.

**Issue Statement #5:** Family linkages with viable community-based resources is compromised by uncertainty about the service needs, geographic distribution, and facilitation of services through agency contracts with community-based organizations.

## Strategic Result Goals

**Strategic Result Goal #1:** Recruit and retain an adequate number of social workers to bring caseloads within judicially mandated levels.

Goal 1.1: By close of FY 2006, CFSA will have increased the number of social workers recruited and trained to bring caseloads closer to judicially mandated levels.

Goal 2.1: By close of FY 2006, complete 95% of all investigations within 30 days.

**Strategic Result Goal #3:** Meet federal Adoption and Safe Families Act standards for ensuring that children are either returned home or moved expeditiously to permanent homes.

Goal 3.1: By close of FY 2006, CFSA will finalize adoptions within ASFA standards..

Goal 3.2: By close of FY 2006, CFSA will ensure that more than half of CFSA cases have current case plans.

Goal 3.3: By close of FY 2005, 25% of kinship care and family services will have case plans.

Goal 3.4: By close of FY 2006, over 60% of cases will be in compliance with administrative review requirements.

Goal 3.5: By close of FY 2006, CFSA will ensure that 80% of children in foster care have monthly visits with social workers.

**Strategic Result Goal #4:** Recruit and retain an adequate number of foster/kinship homes to meet the needs of children who require foster care.

Goal 4.1: By close of FY 2006, CFSA will ensure that 80% of foster and kinship parents complete training and licensing requirements.

Goal 4.2: By close of FY 2006, CFSA will develop border agreements with Maryland and Virginia.

Goal 4.3: By close of FY 2006, CFSA will have decreased the number of children under 13 placed in group homes by over 30%..

Goal 4.4: By close of FY 2005, CFSA will not have any children staying overnight at the on-site Intake Processing Center.

**Strategic Result Goal #5:** Facilitate linkages between families and neighborhood-based resources through the Healthy Families/Thriving Families Collaboratives and other community organizations.
